

7 day Residential Special camp entitled “SUVARNNAM” was held from December 20 to 27 at Akavoor High sSchool Sreemoolanagaram. Our main aim was to avoid the use of plastic and promote the use of clothbag and paper bag. Volunteers did various workshops for this, a street play, a survey based on energy conservation and many other activities.

We spend a day with grandparents in an old age home 'Karunalayam' Sreemoolanagaram. The program was conducted as a Christmas celebration for dear mothers. Volunteers used the money collected by the program "Kadalasuthoni" in which they collected and sold old news papers for this day.
